Structure

Low, William G., House

(RI-346)

3 Low Lane. Frame with shingles, one-and-a-half stories, dominant low pitched gable roof placed across the width of the plan with broad gables framing symmetrical facades of banked windows in horizontal overhangs, a key example of the "Shingle Style" summer house. Built 1887; McKim, Mead and White, architects. Demolished 1962. 4 ext. photos (1962); 4 int. photos (1962).

Card prepared May 1975.
